Dear Mr. Summis:—

While waiting our
wonderful Anna Coolworth last week, she
showed me the volume of Early California
songs compiled and published by you—
I like so much to own a copy, and also
would appreciate your signature on mine,
if it would not be asking too much. The
songs are beautiful; their words recalling
days of early joys, romances and happiness.
you are indeed to be congratulated in
your beautiful edition.

Enclosed find \$ 1.50. for the book. With
very best wishes from
Helen Young Crawford.

Dear Mr. Summis; Thank you so
much for sending the book of songs
and your inscription; which I do
appreciate so much. The "Butterfly
Love" is a beauty. Very sincerely
